INT-KLCDR-GR

LCD keypads are intended for daily operation of the **INTEGRA** systems. With the display showing text messages, even advanced functionalities of the alarm control unit are simple and convenient. In addition, with the built–in proximity card reader, the system can be used without a password.

- keypad and display backlight
- LEDs for system state indication
- keypad hold–down PANIC, FIRE and AUX alarms
- buzzer for acoustic signaling
- two zones expansion
- panel communication loss indication
- RS–232 for supervision and management applications **GUARDX**
- proximity card reader

Environmental class	II
Supply voltage	12
Enclosure dimensions	140 x 126 x 26
Operating temperature range	-10...+55 °C
Standby mode current consumption	60
Max. current consumption	156
